Advantages of WJ[®] -III as compared to Group Tests Such as CAT/5, SAT or ITBS

- You do not order a particular grade level test
- Test questions are read both aloud and silently by either the administrator or the student depending on the test
- Students respond both verbally and/or with some writing depending on any modifications
- Only three sections timed, with no time limits on rest of the tests, therefore, less pressure
 - Immediate feedback on your student's performance
 - Requires only one to two hours of your time
- Students do not have to spend too much time on frustrating material
 - Advanced students can work at higher grade levels

Going the Extra Distance to Measure Growth

- Diagnostic information provides an in-depth look at strengths and weaknesses
- Not a pass or fail test
- A tool to meet state requirements and help you monitor growth and plan

Benefits of Testing With ATC Educational Services

- Friendly, relaxed, and personable testing in comfortable environment
- Most students actually enjoy taking the test, stating, "This is a fun!"
- One on One testing allows examiner to give encouraging words throughout the testing session
- Positive testing experience encourages students to excel
- Curriculum recommendations given during consultation if requested

Special Needs Package

- If our Basic of Broad Knowledge Package does not meet your needs, we will create a package based on our assessment and make appropriate modifications.
- Our computer software allows us to note any modifications made during the standardized achievement testing.
- This will give you a tool for measuring your student's growth, based on your student's unique individual needs.

Assessing Your Needs

- We are committed to helping you understand your testing options and guidelines set by the North Carolina Department of Non-Public Education.
- We specialize in the administration of the Woodcock-Johnson III Tests of Achievement, often referred to as the WJ®-III.
- We will assess which testing option will be best for your family if the Basic or Broad Knowledge options are not the best match for your needs.
